How to Choose a Unique Everyday Necklace

About This Collection

James and Liz take over the Hundred House Hotel for a stop motion wedding video shoot that keeps slipping into Pure Water calm and Credit Card heat. Liz wears a unique everyday necklace; James has the handsome actor look of a young James Spader. Liz Eggleston, formerly Liz James, leads the frame. The soundtrack shifts from Holding On to Steal the Rain acoustic and a Lokett 2024 single, while Up The River plays under the poses. View the full gallery via the link above.
